Consulting Energy Advisors

## Application to Participate in the CACEA BCIT Electrification Training Pilot

**Please complete the following application to participate in CACEA's "Demystifying Electrical Capacity and Service Sizing: Training and Pilot" which will be held in-person at BCIT in Burnaby, BC on Sep 24 & 25.**

### **Participants receive:**

- **15 hours of free training with content that can enhance your services (CEC=15)**
- **Breakfast and lunch each day, light dinner at CACEA's Meet and Greet Sep 24)**
- **Course materials for future reference**
- **Contribution to industry-wide professional development**
- ***Travel-related expenses to attend the training are NOT provided.***

### **Eligibility:**

- **FULL category CACEA member in good standing, ideally a minimum of 2-years full-time experience.**
- **Participant selection will consider experience, geographic representation, and new vs existing audit services.**

1. First and Last Name

2. Year started as an EA

3. Primary region in which you provide service

4. Ability to Attend

- ☐ I **can** attend in person in Burnaby
- ☐ I am interested in attending **BUT** need to consider the travel costs
